Registration Begins Monday, August 8, 2011

EXPLORERS - Parent & Son, Grades K-3

ADVENTURERS - Parent & Daughter, Grades K-3

Share the spirit of adventure with your child! Adventure Guides is a parent-child program designed to help foster a lifetime of companionship to strengthen the relationship between children and parents. Activities include an Induction Ceremony, camping, hiking, rock climbing, Pinewood derby car races & more!

TRAILBLAZERS - Parent & Son, Grades 4-6

TRAILMATES - Parent & Daughter, Grades 4-6

Similar to Adventure Guides, the Trail program offers parent and child an opportunity to work together and enjoy more challenging and adventurous activities. The children play an active role in determining the group's activities for the year. Activities include such outings as outdoor rock climbing, cave exploring, and much more. Members are encouraged to participate in community service projects and to develop leadership skills.

EXTREME GUIDES - Parent & Teen, Grades 7-12 (co-ed)

This program is designed to engage the parent and middle/high school aged youth in "extreme challenges" as they continue to explore their environment, community, and lives together. Activities for the year may include hang gliding, white water rafting, outdoor rock climbing and repelling, team building events, and other activities designed for young teens.
